# **ASCOT CONFERENCE CENTRE**

## **Elephant Venue**

Upon arrival your guests can enjoy welcome drinks and snacks underneath a large flat-crowned acacia, beautifully lit up at night, surrounded by large boulders, railway sleepers and aloe plants that have been carefully positioned to maintain that "bush lodge" look. Guests can enjoy cocktails around the thatched bar which has been built into a huge acacia tree.

Your guests then wonder along into the Elephant Room for the Function. This thatched wonder can seat up to 150 people without a dance floor, is oval in shape and has a wonderful African feel.

There is a large entertainment area ideal for Bands, Zulu Dancers or an Orchestra.

## **Hippo Venue**

At the gazebo area your guests could be treated to welcome drinks and snacks under umbrellas which are placed in a beautiful garden and they can mingle before going into the Hippo venue.

The function will be held in our horseshoe boma, with its natural wooden walls surrounding a sparkling pool. With its own rustic bar, this function venue has a unique ambience that has been enjoyed by many. The Hippo Room can seat up to 180 guests without a dance floor.
